Dear Candidate,

Thank you for screening with the Central Minnesota Trades and Labor Assembly. The Assembly and the East Central Area Labor Council Executive Board has voted unanimously to endorse you for the seat you are running for.

What this means is that you can put on all your literature that you are Labor Endorsed, and we also advise you to seek endorsements from individual unions. Also, the East Central Area Labor Council runs an Independent Expenditure campaign which means we do our own outreach to union members.

We wish you luck in your campaign and thank you for stepping up to serve.

Sincerely,

Jane Conrad
